Cohort 16 and AALP Alumni Take Their Seat at the Table

Cohort 16 participants and AALP alumni at the fourth annual Seat at the Table Gala

As a strategic partner in the fourth annual Seat at the Table Gala, AALAM joined community leaders, professionals, and emerging talent from across Southeastern Wisconsin for an evening focused on leadership, relationship-building, and creating pathways for opportunity.

Presented by [MBRACED Culture](#), Seat at the Table is a curated experience designed to celebrate the achievements of rising leaders while fostering meaningful relationships and strengthening talent retention across the region. This year's theme, "Dandyism: The Art of Presence," encouraged attendees to explore how authenticity, personal expression, and confidence shape the way leaders show up in the world.

Members of Cohort 16 and AALP alumni attended the event, deepening community connections with leaders across industries and gaining exposure to the conversations and relationships shaping our region's future. We are especially proud that Cohort 16 participant Brandon Ramey serves as a co-founder of Seat at the Table, reflecting the leadership, innovation, and community impact that continue to emerge from the AALAM network.

Meaningful leadership is built through relationships, shared experiences, and the exchange of ideas. On Thursday, August 6, from 6:00–8:00 p.m., AALAM alumni, stakeholders, and friends of the organization are invited to join leaders from across the Milwaukee region for Mosaic on the Lake, an evening of conversation, connection, and community aboard the Vista King.

Hosted in partnership with [MMAC](#), the event brings together professionals from diverse industries and backgrounds to strengthen networks, share perspectives, and explore the experiences that shape effective leadership. Whether you are reconnecting with familiar faces or meeting new colleagues, Mosaic on the Lake offers a unique opportunity to invest in relationships that can inspire future growth and impact.

We encourage you to join us and invite a colleague, friend, or prospective applicant who would benefit from connecting with Milwaukee's diverse network of leaders.

Cohort 17: The Next Leadership Journey Begins Soon

Over the past several months, we've shared stories of growth, transformation, and impact from the leadership program alumni and Cohort 16 participants. Their experiences demonstrate what is possible when leaders invest in their development, expand their perspectives, and commit to leading with greater intention.

Soon, a new cohort will begin that same journey.

If you have been considering our Leadership Program, or know someone who would benefit from this experience, now is the time to apply. Cohort 17 brings together professionals from across various industries for a nine-month experience designed to challenge perspectives, build meaningful relationships, and strengthen the leadership pipeline in our region.

We call on organizations to consider where leadership capacity can be strengthened and who may benefit from this transformational experience. We also invite our alumni, stakeholders, and community partners to share the program with individuals in their networks who are ready to grow personally and professionally while creating meaningful impact across their organizations and communities.
